The Little Lake Spirit

... is that a man is recognized for what he is ... not what he has. The whole spirit of this community is one of friendliness, and that makes it an ideal place for families. By the way, the spring, fall and winter seasons offer a lot to those who love the combination of the desert and the hills. Here in Little Lake you'll find the ideal place to rest and relax, yet plenty to entertain you if you wish to travel about.
