

## *Mt. Whitney Pack Trains*

---

### **OUR PACK STATIONS . . .**

located at Whitney Portal, Carroll Creek and Sage Flat offer points of entry into the High Sierra for fishing, hunting and scenic beauty unsurpassed anywhere.

We are in a position to completely outfit all types of pack trips either on an all-expense basis (we furnish everything) or on which you furnish your own food and equipment.

•

### **PACK TRIPS . . .**

on which the saddle horses, pack animals and guides remain with the party for the duration of the trip, can be arranged for any length of time. Tentative itineraries will be furnished upon request.

•

### **SPOT TRIPS . . .**

on which we pack you in and return for you at a later date, can be arranged to suit your desires. Suitable campsites can be reached within two hours or we can spot you as far back as you wish.

•

People of all age groups find these trips pleasing and a lot of fun. Trips are not limited as to size of the party, one or more.

For further information, check items on the reverse side of this card and mail.
