 Party of 5 or more \$16.00 each per day
 Party of 4 17.00 each per day
 Party of 3 19.00 each per day
 Party of 2 22.00 each per day

Let us plan a Pack Trip for you. It is an exciting experience made safe by good trails and gentle stock.

The peaks of McGee Canyon are noted as being the most colorful in the state. You can pack into the canyon proper and have these peaks as a backdrop for your camp or you can pack over McGee Pass into Upper Fish Creek. From any of the centrally located camps in Upper Fish Creek you can explore and fish the many lakes and streams. Whichever you choose, you will find that you are in the primitive area where the fishing is uncrowded.

You will find Golden, Rainbow and Eastern Brook trout in the mountain streams and lakes. There is fishing to please the novice and to challenge the expert.

There are four main types of pack trips. The **SPOT TRIP** where we pack you in to a given destination and pick you up again at the end of the designated time.

The **ALL EXPENSE TRIP** which is a carefree trip for you, as you are furnished everything except personal gear.

The **EXTENDED** or **CONTINUOUS TRIP**, the stock and packer stay with you for the duration of your trip.

The **DUNNAGE PACK**—Your gear is packed for you to the chosen campsite while you hike in leisurely. Or you may take a traveling trip where gear is packed while you hike carefree to your next campsite.

SPOT PACK—We pack you in and leave you at a desirable campsite on a stream or lake. The packer and stock return for you at a specified time. The Spot Trip rate includes both in and out for you and your gear. The Spot Trip is the most economical trip as the only cost is transportation. The length of your stay does not affect the packing cost.*

LAKES OF MCGEE CANYON
 Party of 4 or more \$30.00 each
 Party of 3 32.00 each
 Party of 2 36.00 each

FISH CREEK AREA
 Party of 4 or more \$38.00 each
 Party of 3 62.00 each
 Party of 2 66.00 each

ALL EXPENSE TRIP—Carefree trip where food, cook, packer, stock and all equipment are furnished with the exception of personal gear and sleeping bag. Write for rates, stating size of party and length of stay, as this will determine the cost per day per person. For example: A party of five for over a week would cost \$23.00 each per day.

EXTENDED or **CONTINUOUS TRIP**—Packer and stock remain with you for the duration of the trip.*

RATES
 Saddle Horses \$ 7.00 per day
 Pack Mules 7.00 per day
 Packer and Horse 22.50 per day
 Cook and Horse 20.00 per day
 Day Guide & Horse 15.00 per day

DUNNAGE PACK—Gear packed for you while you hike unencumbered. Prices include required packer and stock. First 150 pounds (or any portion of a mule load) is \$28.50 and each additional 150 pounds (or a muleload!) is \$8.00. Limit of 5 miles per packer.

A pack trip requires no special equipment, just your usual camping gear as campsites usually have stove tops and tables. Gear for extra pleasure and comfort is no packing problem. Leave your worries at home, we only pack supplies and gear.

To save time when making inquiry or reservation, please state: number in party, starting and returning dates, type of trip and territory you are interested in.

DAY RIDE
 With or without guide. Leave the pack station in the morning and return in the evening. This allows time for sightseeing, lunch, fishing and pictures. Enjoy a day away from crowds. Take a ride that samples the beauty and thrills of a pack trip.

Day trips are arranged for your party for the day and time of your choice. Phone for reservation. Children—even the younger ones—ride well, catch fish and find things of interest never realized in the city.

HOUSEKEEPING CABIN WITH BATH

Rate per Week	studio-type double bed
2 persons	\$60.00
3 or 4	76.00
5 or 6	94.00
