

William White is a new man here to operate "cat" at the Salt Mill.

Because Firman Wood installed an outside electric fixture at depot, entire street is lighted. An improvement appreciated.

Mr. and Mrs. M. Evans and father D. W. Evans have rented Mrs. Dorothy Wendells apartments on Yerington Street.

Not a laughing matter to Paul Mullis, but last week he missed attending Hi because of measles.

Charles Sumner, electioneering, was here Thursday and Friday.

Four carloads of milled talc, three cars bulk talc, and three of ore were pulled out on railroad Thursday.

Mr. and Mrs. Harold Baxter

were enjoyed guests Tuesday a week ago. They went to Placerville for a couple of days.

Tony Pinhiero business caller at Bakersfield Tuesday and Wednesday, and said it rained all night. Thursday enroute home he encountered snow at Tehachapi, hurried on thru, as he expected warmth and sun at Keeler, but—we had cold and chilling winds thru Wednesday. Thursday there was still a raw damp chill and fingers of clouds edged down the canyons of the Inyos. Sierra mountains not visible. Pink Flowered trees against gray background looked like an original Japanese print. Rain drops began falling at 10 a.m., a few here and a few there, then everything got wet. Total fall thru day and night was nearly .80 inches. Friday the snow was lying down to the 3100 foot level, very bright and white. Thursday the highway crew had road posted as about three inches of water ran over in the dips. Ten to 5 p.m. power went off. Electricians must have been alerted, as it wasn't off long. Hansen and Nathenson down from Radar Station said they had a foot of snow in places.

Mrs. Richard Gandara brought Mrs. George Brennan home from hospital last Tuesday.

Mrs. Bessie Stark began work at Lone Pine Drug Store last Thursday. So far she has driven back and forth each day.

Mr. and Mrs. Lester James and daughter returned Sunday after a visit to Los Angeles and Long Beach. They didn't go to Oklahoma, to quote "too much rain and cyclone".

Mrs. Mary Suprenant went with the Chuck Careys to Bishop on Sunday to attend ballgame.

Mr. and Mrs. Bill Osburn and family had Sunday dinner with the Connie Lamons at Darwin.

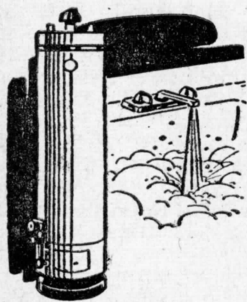

Partially cloudy again on Monday and Tuesday.

Repairs on water pump Sunday caused a cutoff between 9 a.m. to 10.

Mrs. Dorothy Sorensen Rubick and husband, living at Glendale, where here Tuesday looking for Walter Sorensen. The Rubicks spent seven enjoyable months at Honolulu and with a new car got itchy feet and travel fever. Enjoyed the flowering tamarisk to such an extent that they got rooted plants to take home.

One thing Keeeler and the Fred Moores needed was a dog! Sunday such an article was wished on them. Gracie says she must take a back seat, as dog wants front seat. By the way, Gracie had a birthday Sunday.

Inyo Gas delivered an upright deep freeze to the Raymond Wades
